

Experience the Future of Modern Work

Introducing Cisilion's Client Experience Centre: A true smart building of the future

Smart Building of the Future

Our office will transform into a living example of the future of work with a luxury client experience centre at its heart.

Our aim is to create a space that goes beyond expectations. Clients will be able to experience the latest technology from our core technology partners.

What can you Expect

What can you expect from this state-of-the-art centre? Prepare to be amazed as we transport you into the future of IT solutions and services. Here's a glimpse of what awaits you:

Seamless Collaboration

Step into a world where collaboration knows no boundaries

Our CEC features immersive meeting spaces powered by Microsoft Teams and Cisco Webex, enabling seamless communication and collaboration across teams, locations, & devices.

Immersive Meetings

The inclusive meeting experiences

Delivering the best hybrid meeting experience, from reservation to engagement, our solutions ensure that your meeting attendees seamlessly connect and interact without barriers. Enabling productive and efficient meetings, for all participants regardless of location.

Smart Buildings

Delivering the best experiences for your employees, customers and visitors

Your buildings provide a lasting impression of your organisation. Using technology, we deliver seamless experiences and actionable insights into your environment.

Sustainability

Future of Smart Workspaces

Sustainability in IT takes centre stage, through increased asset utilisation, equipment modernisation, and refurbishment initiatives, we prioritise extended equipment life and supplier management to create a sustainable IT ecosystem that benefits both our clients and the planet.

Stay Informed, Stay Ahead

At Cisilion, our passion for delivering transformative IT solutions is surpassed only by our commitment to providing exceptional client experiences. Our Client Experience Centre serves as a collaborative hub, allowing you to engage with our experts, explore the latest technologies, and gain valuable insights to drive your business forward.

As we eagerly anticipate the grand opening of our centre, we invite you to join us on this journey. Follow us on social media to stay updated with the latest news and exclusive insights into our innovative solutions. Connect with our team to reserve your spot for the unveiling event and be one of the first to witness the future of IT.

The future is here, and we are excited to share it with you at the Cisilion Client Experience Centre. Get ready to explore the possibilities, revolutionise your business, and embrace a new era of digital transformation. Together, let's shape the future today.

About Cisilion

Formed in 2000 and with a reputation for excellence, Cisilion has a proven track record of successfully implementing IT solutions for our global client base in 70 countries across five continents.

Our award-winning projects are complemented by our long-standing and strategic relationships with some of the world's leading technology partners including Cisco and Microsoft. Our mission is simple – to inspire intelligent change by delivering next-generation IT infrastructure that transforms the way that businesses work.

We offer expertise across a large range of solutions, including Intelligent Networking, Collaboration, Security, Data Centre & Cloud and Professional & Managed Services. With relevant IT accreditations and awards within these fields of expertise, our enterprise customers vouch for our excellence.
